Inspirational Message: Without Spot

If we believe that we are Christians, then let us be true to this name.

To be a Christian is to be Christlike.

It means to follow Jesus in self denial, carrying high His banner of love

It means honouring Him with unselfish words and deeds.

In the life of a true Christian there is nothing of self because self is dead.

There was no selfishness in the life that Jesus lived while on this earth.

He had our nature and He lived a life wholly devoted to helping others.

All our words and actions, must be pure and true.

All that we do must be free of selfishness and corruption.

In His great love, Christ surrendered himself for us and we are to surrender ourselves to Him.

When this surrender is complete, Christ can finish the work He began for us by the surrender of Himself. Then He can bring to us complete restoration.

Christ gave himself for the redemption of all mankind, that all who believe in Him may have eternal life. When we appreciate this great sacrifice we will receive from our Saviour the Most precious of all gifts, a clean heart.

This experience is more precious than all the gold, silver and precious stones that we can receive.

We will love him with all our heart, mind soul and strength,

realising that we are His blood-brought heritage.

Worldly policies or worldly aims will not dim our spiritual eyesight.

we will be one with Christ as He is one with the Father.

Delungra Community Health

Greetings to Delungra residents. I have had a wonderful holiday. Hervey Bay is surely the place to be at this time of year. whale watching is a must!!! It only happens in August, September and October when the whales move to warmer waters from the Antarctica to breed and deliver their young.

From September 2001, I will be responsible for the footcare in Delungra. Joanne Hamilton will relieve me when I am on leave. So that will mean the service is not interrupted at all. I will continue to come on a Tuesday. I will give the specific dates in the Newslink. Anyone wishing to have their toenails cut please call Community Health and leave a message with the receptionist. Please leave your phone number and address with the receptionist.

Delungra Community Health Service Plan

Many thanks to members of the Delungra Community for attending the meeting at the Delungra Bowling Club on 25th September 2001.

Delungra is certainly a community with a strong community spirit and a commitment to improving Delungra.

The meeting, the first of many, was well attended and held to discuss and get feedback flowing in regards to the development of a health service plan for Delungra.

Many issues were raised and will be further looked into. Examples of these issues are as follows:-

- Transport - access, suitable time-table and best way to provide service. Is the service affordable?
- Lack of relief staff for community nurse.
- A central base in Delungra for all services to come and allows privacy for consultations.
- A Delivery service for pharmacy supplies.
- Community Aged Care packages for Delungra residents
- Meals on Wheels program may need to be revised.
- What help is available for home modification if needed.
- The need for a handyman service.
- A Service directory for Delungra to assist in finding out what services are available and how to get them.
- Suggestions for the community survey.
- Requests for helpers to assist to give out and collect surveys.
- Needs of the younger members of the community

I look forward to further meeting with Delungra community members. Please feel free to contact me on PH 6722 2655 and talk of any issue(s) that may be of concern. Remember the community's input into the development an success of the health service plans is vital.

Tessa Newmarch - Project Planner.
